Company Background:

North Brewing Co is our 30bbl brewery and tap room, a mere ten-minute stroll down the road from our sister company North Bar. Since launching in 2015, our brewery has quickly established itself amongst the leading breweries in the country. We make beers like they should be: big juicy flavours with tonnes of hops; fun, playful and interesting flavour combinations and classics that demonstrate an uncompromising approach to quality. From our best-selling Sputnik pale ale to award-winning Transmission IPA to some truly fantastic Collab's with breweries from across the world.

At North Brewing Co we have an exciting opportunity for you to join our expanding brewery full of passion and potential. You'll be working for our talented Head Brewer along with our amazing brewery team! If you have a sense of adventure, integrity, a hard work ethic and an uncompromising ethos when it comes to quality then this is the job for you.

Below is an outline of the tasks associated with this role, it is a non-exhaustive list. Being a new business it is an ever-evolving list and key to the smooth running of our brewery is having a strong, collaborative team who have a genuine desire to help each other.
